WORK EXPERIENCES

May 2018 - Oct 2018

Graphic & Web Designer @ Quape Pte Ltd

Created websites, logos and brochures for companies. Created SIMGE's Website by revamping their look and feel. Had the opportunity to create 3D sticker gifs for a streaming app.

Nov 2018 - Mar 2019

Graphic Designer @ NTU Library

Managed and coordinate many graphic design projects from concept to completion under tight deadlines. Led a team of student assistants who assisted me in the tasks.

Nov 2020 - Feb 2022

Art Teacher @ Our Art Studio

Taught students from young to elderly in sketching, acrylic and oil painting, watercolour, pastels and clay works. Main teacher in Carecorner where I planned and conducted Art Classes for 20+ people for Demensia Elderies. My Art work got bought in SingHealth's event where we donate our artworks to raise funds.

Feb 2022 - Aug 2022

Graphic & Multi-Media Designer @ Wonderlit

Designed and came out with creative graphics and animations for social media such as Enrichment Quotes, Camp Promotions 'as well as handled their website design.

Sep 2022 - Sep 2023

UI Artist and Art Project Manager @ Gumi Asia

I played a pivotal role in managing and elevating the creative process. I not only led the team by assigning tasks and conducting Quality Checks but also implemented a system for increased efficiency. My creative contributions extended to crafting Gacha Banners, logos, and collaborating on the Shield Hero project. Additionally, I took on the responsibility of overseeing an entire game project, handling scheduling, managing finances for the Art Team, and serving as a crucial communication link between HQ and Square Enix for approvals. This role showcased my versatility as I also contributed as a UI Artist in a separate project, actively participating in the creation of mockups for an upcoming endeavor.

Aug 2023 - Mar 2024

Creative Graphic Designer @ Prestige Edge

Am the lead for Graphic Design in the Design, Event's Company. Had the opportunity to work on Jewel's Christmas Project and Shopee's 11.11 for visualizing their concepts as well as Graphical Posters. Worked on many other pitches for upcoming projects and got shortlisted and even selected by a few companies for Christmas, Chinese New Year.
